OBJECTIVE: *To introduce students to action projects that they can implement to benefit the environment in their communities.*

Join youth from across the state at the 4th Indiana Youth Environmental Summit. Past Summit's held in 1995, 1997 and 1999 reached over 1300 participants. Participants will meet students who have developed environmental action projects, as well as enjoy entertainment by Billy B., the Natural Science Song and Dance Man. They will chat with environmental professionals during lunch to learn about careers and attend presentations by students and environmental resource personnel.

PLEASE PRINT ALL INFORMATION – Return only bottom portion to the I-YES site you wish to attend
